

Perth Royal Show 2009 -Thanks

Ian Langson

Members of the FOTE Inc organization committee would like to extend their sincere thanks and gratitude to all those who have contributed in making our presence at the Perth Royal Show 2009 a success. We have been busy gearing up toward this over the past 2 years.

We gratefully thank Ian Longson who until July 2009 was the Director General of the Department of Food and Agriculture and Food of Western Australia. Our presence at the Royal show this year has been made possible following his continuous support to us.

Without Graham Mcalpine who has contributed so much in support of FOTE at the Royal show working through things and leading us the way through our presence would not have been a success. To Tara Della Bosca who has worked tirelessly and well beyond the call of duty 'Leon Giglia 'Matthew Hudson'; Kingsley Preston & Keith.

The Royal Agricultural society committee who has welcomed us this year and looking forward to work together again in the future.

Our thanks to our partners, associates and affiliates who have offered their generous support : Kalamunda Toyota, Richgro, Zanthorrea (Indigenous nursery), Replants, Indigenous Tours WA, Murdoch University, Regional councils coming together for the first time (under the FOTE banner) River guardians, Land & Water Technology/sustainable outdoors, Conservation Volunteers WA, Jonathon Thwaites display on bicycle power, KAPOW schools (Junior FOTE) FOTE landcare projects including Friends of yongar (indigenous name for Kangaroo) Reserve, NARA Coolgardie, York project & Fair view farm.

To our valuable FOTE members who have given their valued time, energy and effort.

Yours truly,

Steve Gibellini & Richard Joyce
